To approve policies 3-7, 3-8 and 3-9, as proposed for immediate implementation with
readings waived.

VOTE: aye; all present
       nay; none
       absent: none

ITEM R8. Discuss Director performance evaluation process.
Goemaat reviewed past process and deadline for the Director performance evaluation
process. Board consensus was to follow last year’s process. No action was taken by the
Board. Discussion only.

ITEM R9. Discuss and decide regarding Covid-19 response and possible closure of park roads
or other actions.

Goemaat reviewed COVID-19 response by the department including current facility
closure dates and protocols for reopening of department facilities once they are cleared to
open. Goemaat reviewed campground opening, upcoming opening of restrooms and
shower houses and public response to social distancing rules. Hanson reviewed the idea
of closing the Squaw Creek loop road to promote walking with social distancing on
Sundays. Goemaat discussed considerations such as accessibility, access for equestrian
and mountain bike facilities, and indicated no current conflicts between cars and walkers
have been noted. Jason Baumann discussed the difficulty of access for picnicking or
campfire ring use if the road was closed. Emerson asked if a future trail construction along
the roadway might promote this idea and improve walkability. Baumann and Goemaat
confirmed a contract for a trail route study is in place to review future park trail alignment.
Kanz commented that having the roads open year round and expanding park trails are goals
to promote year round use and walkability. Kanz mentioned the possibility of doing
some education at parking areas.

No action was taken by the Board. Board consensus was for staff to address openings and
management changes based on conditions and consultation with other agencies.
