Motion by Rogers, seconded by Oleson to approve minutes of Sept. 30 and Oct. 1, 2019 as printed.

Motion by Rogers, seconded by Oleson to approve and authorize Chair to sign Change Order #1 in the amount of $456,518.00 and Change Order #2 in the amount of $511,535.00 for a total contract in the amount of $29,600,339.00 for the Harris Building construction project.

Discussion: Supervisor Rogers stated that this building’s Change Orders are in the amount of 3.3% of the total construction cost in comparison to the county’s previous projects: Juvenile Justice Center - 5.4%; Comm. Serv. Building – 4.1% and Public Service Center – 6.5%.

Supervisor Oleson stated that he visited with Auditor Miller yesterday and does appreciate the point he was raising. At the beginning of the process, they had discussed the Lease Purchase Agreement and the benefits such as the ability to build with local professionals and in theory, no change orders. However, zero change orders is not a reality due to a variety of factors.

Chairperson Walker stated that when looking at the complex building plans which include a clinic and state of the art classrooms and to have such a small percentage of the project be dedicated to Change Orders (even though their hope was to eliminate Change Orders) is an extraordinary feat.
