Sewer Requirements

Affidavit

Owner _____

Building Permit No. _____

Applicant/Agent _____

Address _____

Increasing the number of bedrooms for an existing dwelling: If the applicable and/or review for new or existing septic system has not been obtained from the Health Department, this affidavit must be completed and signed before a permit can be issued for construction to begin.

<p>Septic System</p> <p><input type="checkbox"/> Private</p> <p style="padding-left: 40px;">This house has _____ existing bedrooms</p> <p style="padding-left: 40px;">We are adding _____ bedrooms</p> <p><input type="checkbox"/> Shared system</p>	<p>Public Sewer</p> <p><input type="checkbox"/> City of _____</p> <hr/> <p><input type="checkbox"/> Other _____</p>
<p>A review of the existing septic system and/or a permit to modify or replace the existing septic system may be required for this project. Failure to obtain said review or permit from the Linn County Public Health Department prior to beginning construction may have significant consequences. Consider this as notice to contact the Linn County Public Health Department regarding the above:</p> <p>Linn County Public Health Department 1020 6th Street SE Cedar Rapids, IA 52401 Phone: (319) 892-6000</p> <p>I hereby certify that I have read the above and understand that failure to consult with the Health Department and secure the required septic and well permits before beginning construction will be at my own risk and may have consequences as outlined above.</p>	<p>Installations and connections in regard to city sewer and water services shall be in accordance with all Linn County and local ordinances of the city or jurisdiction supplying the services.</p> <p>In applying for related permits to increase the number of bedrooms, I hereby certify that the dwelling is connected to a public sewer and is not connected to an on-site waste-water (septic) system.</p>
