

Detached Accessory Structure

The following items will be required at the time of permit application:

Detached Accessory Structures

- Dimensioned and Legible plans
- Footing type, sizes and locations
- Location and size of all windows and doors
- Sizes for all framing members, including headers
- Wind bracing method shown on plans
- Roof design information
- Elevation Drawings

All plans shall indicate location, nature, and extent of the work proposed.

PLEASE NOTE:

Permit applications may be submitted at any time, but missing plan details and/or inadequate legibility, may result in a delay of plan review and permit issuance.
