A NOTE FROM YOUR TREASURER:

As our local communities shift to mitigate the onset of coronavirus, it is important to make sure our citizens are aware of our online payment options for some transactions. What has been offered as a convenience has now become a necessity for many. If you know someone who is older or compromised and it is difficult for them to pay online, please help us keep these folks healthy by assisting them in processing payments online or taking payments to the post office on their behalf. The following transactions may be done online. Please note, transactions will have non-refundable fees depending on payment method (eCheck = $0.30; debit card = $0.30 + $3.95; credit card = $.30 + 2.35%).

**Property Tax**  You must have your name or parcel number located on your most current tax statement to pay online. If you don’t have your tax statement, you can find your parcel number by doing an address search on the appropriate assessor’s website.
- Properties within Cedar Rapids city limits: [https://cedarrapids.iowaassessors.com/search.php](https://cedarrapids.iowaassessors.com/search.php)
- All other properties in Linn County: [https://linn.iowaassessors.com](https://linn.iowaassessors.com)
- You may call 319-892-5500 or email questions to treasurer@linncounty.org

**Motor Vehicle Renewals**  may be paid at [www.iowataxandtags.org](http://www.iowataxandtags.org). You must have a PIN to renew online which is located on your blue and white renewal statement. If you do not have this PIN, you may use the Audit# found on your current registration receipt. If you do not have a PIN or Audit#, please call or email our office. You may call 319-892-5500 or email questions to treasurer@linncounty.org.

Property Tax and Motor Vehicle transactions also may be paid over the phone by the same methods and with the same non-refundable fees as mentioned above.

The following transactions are not able to be paid online but the forms necessary to complete them can be found online at [https://iowadot.seamlessgov.com/vehicles](https://iowadot.seamlessgov.com/vehicles) and payment can be mailed. Checks are made payable to Linn County Treasurer. Alternatively, a drop box has been placed outside of the Jean Oxley Public Service Center and will be emptied regularly during normal business hours. If dropping paperwork, we recommend stapling documents and checks or securing them in an envelope. It would also be helpful to include a phone number and/or email in case of questions.

**Motor Vehicle Title transfers**  - You can go online at [https://iowadot.gov/mvd](https://iowadot.gov/mvd) to determine fees and use the instructions here. You may call 319-892-5500 or email treasurer@linncounty.org with title transfer questions, forms to complete, or other information. You may also email the front and back of the title and the bill of sale. We will calculate the amount due and walk you through the forms you need to complete the transfer.

**Motor Vehicle Replacement Titles**  - All owners on the original title must sign an Application for Replacement Title Form 411033 (even if “or” between the names). Fee is $25 and there is a five-day wait by law before the title is printed and mailed.

It is important that we maintain a high level of service while keeping staff and customers safe. As always, you may contact our office at 892-5500 Monday - Friday. Phones will be answered from 7:30am - 4:30pm during the building closure.

We appreciate your patience during this unprecedented time and we thank all of Linn County for your continued support.
