Topic for April 10, 2020:
Community measures to reduce the spread of COVID-19

Speakers:

Heather Meador, RN, BSN
Clinical Services Supervisor

Dustin Hinrichs, MA, REHS
Food and Aquatic Safety Supervisor

Dr. Dustin Arnold
Chief Medical Officer
Today’s Format

• Speakers will first answer questions submitted ahead of time, and then speakers will take questions from participants attending virtually.

• If you have a question to submit, use the chat function within GoToMeeting to submit your question, or email it to LCPH.meetings@linncounty.org. We will get to your question as soon as possible.

• This meeting is being recorded and will be posted publicly.
Questions Submitted in Advance:

1. Is it possible to know where “hot spots” are in Cedar Rapids? Maybe cases by zip code or by place of employment? I would hope people in these areas would be more vigilant in social distancing. Can we be told the number of cases in each community?

2. If this virus continues to exist after the stay at home is stopped wouldn't we start the cycle all over again? How do we know when it is safe to go out again? We have a student that is very anxious to go out again.
Questions Submitted in Advance:

3. Is the Linn County Public Health Department working directly with grocery stores and other “essential businesses” that are staying open during the crisis to ensure those facilities are following all applicable recommendations for keeping their customers as well as their employees as safe as possible?

4. Do you know or believe that most such facilities are in a high degree of compliance or are you finding that there is a lot of variability in the levels of compliance?
How to submit a question:

• If you have a question to submit, use the chat function within GoToMeeting to submit your question, or email it to LCPH.meetings@linncounty.org. We will get to your question as soon as possible.

• Please indicate who the question is for, if possible.

• If we do not get to your questions during the town hall, we will record the question and provide a written response as follow up.

• For general information on COVID-19, call 2-1-1 or visit the Linn County Public Health, Iowa Department of Public Health, or Centers for Disease Control websites.
VIRTUAL TOWN HALL

Friday at 12 p.m.

Planned Topic for Friday, April 17: Mental Health and COVID-19

The time may change depending on availability of speakers
