

COVID-19 MENTAL HEALTH SERVICES RESPONSE

Quick Access to Appointments

Mercy Family Counseling and EAP is offering faster access to mental health counseling appointments for people directly impacted by COVID-19.

- Appointments are reserved for essential workers, individuals that have recovered from COVID-19, individuals that have lost a loved one to the virus and others that have been directly impacted.
- Call Mercy Family Counseling and EAP to set up an initial counseling appointment at (319) 398-6575. Mention if your stress or mental health concern is related to COVID-19 to be considered for a more timely appointment.

*Private pay, private insurance and Mercy-contracted EAP benefits accepted.
In-person and video appointments available.*
