2014	20,269	16,285	N/A	347	776	37,677	86,950	43.33%
2016	23,924	16,454	N/A	820	1,275	42,473	118,116	35.96%

These stats reflect the number of voters who fills in an oval to the party of their choice under the Straight Party category on the ballot. It is possible for these same voters may have voted for other partisan races either within their party or across party lines. In those instances, the vote will override the straight party vote for only that race. It is impossible to know how many people voted straight party and no other partisan races.
