Tax Statements are mailed for every parcel in Linn County to the mailing address on file. Contact your mortgage company if you are unsure who is responsible for paying your tax.

**Penalty for Late Payment of Property Tax**

Please return the appropriate installment stub(s) from this statement with your payment to insure accurate processing. The top portion of the tax statement is for your records. Please do not send cash through the mail. When the last day of the month is a Saturday, Sunday, or holiday, the deadline for remitting tax payments without late interest or additional late interest is extended to include the first business day of the following month. Payments received by the Treasurer's Office or postmarked on or after the delinquent date will accrue late interest at 1.5% per month (rounded to the nearest dollar) with a minimum of one dollar. The U.S. Postal Service Postmark is the only date recognized for date of mailing. The Treasurer's Office does not accept the date written on your check or business metered date as proof of the mailing date. Contact your local post office to verify the postmark date will be before the delinquent date.

**Important Billing Notice**

When you send us a check as a payment, you authorize us to clear your check electronically. You may not receive this check back. A \$ 30.00 service charge may be assessed on returned checks.

If you are requesting a paid receipt, please include a self-addressed stamped envelope.

**If you are totally disabled or 65 years of age or older and your 2016 total household income is less than \$22,360.00, you may qualify for tax relief under the provisions of Iowa Code Section 425.16.
