5. Applicant Eligibility

Economic and Community Development grants will be made only to organizations located in Linn County, Iowa or with a branch location in Linn County, and whose work directly benefits Linn County residents.

Applicants that have not completed previously funded projects or that have not submitted the required final report for previous Economic and Community Development grants are not eligible for funding.

6. Project Eligibility

Grant funds may be used only for programs or projects that directly benefit Linn County residents. Priority is given to requests for programmatic and capital projects over requests for operating support. Grant funds may be used only for expenses that have not yet been incurred.

Preferred applications will be for projects/programs that accomplish the following:

- A. Promote economic growth and/or community development in Linn County
- B. Demonstrate a return on investment dollars
- C. Do not duplicate current economic or community development initiatives
- D. Demonstrate a sustainability plan for project continuation beyond Linn County funding

Projects are funded for one-year increments.

7. Grantee Requirements

If Applicant finds the need to use the funding for other purposes, Applicant must request permission from the Board of Supervisors in writing prior to doing so. - B. The Board of Supervisors may request, at any time, that a representative from Applicant's organization attend a public meeting to report on the progress toward the completion of the Applicant's project.
- C. Media releases, annual reports, and materials printed with grant funds should credit the Linn County Board of Supervisors Economic Development Fund. Contact Barbara Schmitz if you need a logo for such materials.
- D. A final report is required, and the form is included herein (final two pages of this document). Documentation of grant expenses is required and can include copies of receipts or copies of paid invoices. **Reports are due April 30, 2020. Organizations that fail to meet this requirement will be ineligible for future Economic and Community Development grants without specific Board of Supervisors approval.**

- C. Serves a broad segment of the population
- D. Clearly describes project goals
- E. Demonstrates sound financial plans for future funding (sustainability) of the project/program
- F. Project does not duplicate current economic and/or community development initiatives

9. Selection Process

The Linn County Board of Supervisors Economic and Community Development Fund receives more funding requests than can be approved. If an application for a worthwhile program is not approved, the decision does not reflect on the value of the group or service, but rather on the need to be selective because of limited resources. Preference may be given to new applicants.

Funding decisions will be made in August.
